From history - in 2021, the final of the Czech Majorette Championship was held in this athletic hall, under the complex conditions of government regulations of the covid pandemic.

At that time, the Daisy Ostrava club took on the role of local organizer. Mr. Radim Oberherr, chairman of the club, recalls: *"It was courage but the hall management were helpful and importantly no one was hurt and no damage was done. The contestants and spectators were disciplined, everything went well. Hopefully it will be the same this time, at such a big event, which is the World Cup, and we will certainly help with the organization"*.
